➤ Altitude	340 meters	5 000 bottles	Production ◀
➤ Densité	10 000 vines / ha	8 to 12 years depending on the vintage	Temps de garde ◀

This wine is fine and greatly marked by its terroir.

Springing from a very stony ground, this appellation has a big mouth feel but is silky at the same time.

A large wine glass will be necessary to taste it well. Enjoy with feathered game and cheese.
