

CORTON CHARLEMAGNE GRAND CRU

➤ Superficie	0.15 ha		
➤ Encépagement	Chardonnay	40 years old	Age de la vigne ◀
➤ Exposition	West / South-West	White shale	Sous-sol ◀
➤ Altitude	350 meters	800 to 900 bottles	Production ◀
➤ Densité	10 000 vines / ha	10 to 20 years, depending on the vintage	Temps de garde ◀

The vineyard is located in the small village of Pernand Vergelesses, also known as Charlemagne.

The Corton Charlemagne is one of the 6 Grands Crus of the Côte de Beaune and is recognised as one of the best white wine in the world.

This Grand Cru will need a long aging and resting time in order to come to its full potential.

Foie gras, fish, shell fish and sea foods will pair deliciously with it.
