➤ Superficie	2.3 ha		
➤ Encépagement	Pinot Noir	40 years old	Age de la vigne ◀
➤ Exposition	South-East	Chalky clay	Sous-sol ◀
➤ Altitude	310 meters	10 000 bottles	Production ◀
➤ Densité	10 000 vines / ha	4 to 6 years, depending on the vintage	Temps de garde ◀

These vineyards have a very unique South-East exposure. Located at the northern door of the Côte de Beaune right beside from the Côte de Nuits, the wines are delicate and fruity.

Dominated by a nose of small red fruits, these wines are very aromatic and slightly tannic.

You will pair them nicely with roasted meat, cold meat platters and the local cheese Citeaux.
