

LADOIX 1ER CRU LES GRÉCHONS

➤ Superficie	0.62 ha		
➤ Encépagement	Chardonnay	40 years old	Age de la vigne ◀
➤ Exposition	East	White shale	Sous-sol ◀
➤ Altitude	360 meters	4 000 bottles	Production ◀
➤ Densité	10 000 vines / ha	5 to 7 years, depending on the vintage	Temps de garde ◀

Only a few winegrowers have a chance to share this special climate due to the forest that dominates it. This explains why production is rare and limited.

This wine, which is quite mineral, will please and surprise. Discover this crisp wine with poultry, fish and shell fish. Traditional dishes like "escargots" will make this Chardonnay stand out.
