

NUITS SAINT GEORGES

➤ Superficie	0.64 ha		
➤ Encépagement	Pinot Noir	more than 50 years old	Age de la vigne ◀
➤ Exposition	South / South-East	Chalky clay	Sous-sol ◀
➤ Altitude	310 meters	3 000 bottles	Production ◀
➤ Densité	10 000 vines / ha	5 to 15 years, depending on the vintage	Temps de garde ◀

Fine and complex, those are the 2 biggest qualities of Nuits-Saint-George wines. They have an intense colour with big aromatics of fruits, spices and mushrooms.

The wines are corpulent with strongly marked tannins that will allow them to age very well.

Discover its qualities with roasted meat, stewed meat and cheese.
